Engine Model: TAMD122P-B EDC

Cruising Speed: 23

Maximum Speed: 28

Engine Hours: 1800

Tanks

Fresh Water Tanks: 199

Fuel Tanks: 576

Holding Tanks: 110

Vessel Walkthrough

The master stateroom is forward. Aft of the master, to port, is the guest head with shower, followed by the VIP guest stateroom. The second guest stateroom is aft of the master, to starboard, across the companionway from the VIP guest stateroom. This is mostly a mirror image of the VIP.

Aft and up 5 stairs is the lower helm, to starboard, followed by the sunken galley and a large U-shaped settee with storage below and cocktail table. To port is the large U-shaped dinette followed by a spiral stairway to the flybridge. Below and to the inboard side of the galley is a "utility room".

Aft and out the large sliding glass cabin door brings you to the covered aft deck area. Below the outer hatch of the aft deck bench seat is the crew cabin, which is used for additional storage.

Salon

- Entertainment center
- Sony Wega flat panel TV
- Sony DVD player
- Sony AM/FM/CD player with 10 disc changer
- Ice maker
- Refrigerator/freezer
- Pull-out beverage storage locker and settee
